Paintball Frequently Asked Questions

What do I need to bring with me?

All the equipment you need to play paintball is included within your entry fee. You will be issued with a camouflage overall, paintball mask, marker, hopper and your first 200 paintballs.

What should I wear?

We recommend that you wear old clothes and plenty of layers which can be removed a little at a time if you get too hot. You should wear stout shoes preferably with ankle support, suitable for the weather on the day. The ground can be muddy and uneven. A hat and gloves is useful for protection. Snoods are available free of charge for your use and all players under the age of 16 must wear one. Finally a change of clothes and shoes might be useful for the end of the day when the weather is poor.

Will I need additional paintballs?

As a rule of thumb, we find for a really enjoyable day, most players use an additional 500 paintballs each during the day. These can be purchased on the day at the rate of £5 per 100 balls, £15 for 500 balls or £60 per box of 2,000 balls.

Can I take my own paintballs along?

Sorry, only site paint, purchased at Core94 Paintball can be used on the site.

Can I use smoke bombs?

A variety of smoke bombs and grenades are available for purchase on the day and range in price from £3.50 to £15 for a box of 5. Only smoke bombs and grenades purchased onsite can be used on the day.

Are weapon upgrades available?

Yes, we have a selection of upgrade markers available on the day for an additional £5 per person, on a first come, first served basis.

What about refreshments?

We have a site shop selling cans of juice and chocolate bars. A selection of locally bought hot pies can be provided if ordered in advance.

Can I bring my own food?

You are welcome to bring your own food along for your group. Many parties also like to bring along a birthday cake. Please be aware that there is a short 4-5 minute walk to the site so make sure to distribute your food amongst your group for the walk up to the site. Please note no barbecues are allowed.

Can I bring alcohol along?

Paintball and alcohol do not mix and is strictly prohibited on site. Anyone who is found to be under the influence of alcohol or drugs will not be allowed to play paintball and may be asked to leave the site.
